LETTER DATED 4 JUNE 1991 FROM THE PERMANENT REPRESENTATIVE OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government and further to our letters, the most recent being our letter No. 126 of 29 May 1991, I have the honour to inform you of further Iranian violations of the cease-fire between Iraq and Iran, as follows:

1. At 0500 hours on 1 June 1991, a group of between 30 and 40 persons proceeding from Iranian territory in vessels, one of which carried a 14.5-millimetre machine-gun, opened heavy fire from light weapons and launchers on Iraqi forward units in the southern-sector area of Ujayrdah.

2. On 1 June 1991, the Iranians fired three rounds in the direction of the Nasr al-Janubi control post in the southern sector of Iraq.

3. At 2030 hours on 2 June 1991, Iranian personnel at the Iranian post on the Ghuzil road (coordinates 621321) fired 10 rounds in the direction of Iraqi forward units in the southern sector.

These further violations, which join the list of Iran's previous repeated violations of the provisions of the cease-fire, constitute, without any doubt, an infringement of the sovereignty and security of Iraq.

The Government of my country stresses, as it has done on previous occasions, the full responsibility of the Iranian Government for the damage caused by these violations and for the future consequences thereof.

I should be grateful if you would have this letter circulated as a document of the Security Council.
